50,000 THRATS CHEER GOLD HEELS TO VICTORY

Pentecost Came Second in a Magnificent Burst of Speed.

Suburban Handicap, New York's Greatest Race, Stubbornly Contested by Leaders of the Turf.

NEW YORK, June 14.—Gold Heels, worthy son of a great sire, bore to the front and gallantly held there to the end the colors of McLevee and Brady and won the Suburban Handicap today over the Coney Island Jockey club course, stripping two-fifths of a second from the mark set by the speediest of his predecessors. The time was 2:06 1-5. It was a day of records. Never on any American course, to every part of which an admission fee is charged, has such a tremendous concourse of humanity witnessed a struggle between thoroughbred racers. Fully 50,000 persons watched the Suburban from boxes and grandstand, from trees, from roofs and from lawn, from cheap field and from the stable enclosure.

Gold Heels beat Pentecost a short half length. Blues, Tammany's pride, anwoke when two-thirds of the distance had been done, to the cheers of his loyal adherents. But when the prize was so close that it seemed within the grasp of Frank Farroll's champion, the battered Pentecost came from his ill-deserved place amid the ruck and beat the four-year-old into pitiful submission.

Gold Heels Through Stretch.

Gold Heels it was through the stretch. Maybe Pentecost, having made up five lengths in the front, could reach the leader, could have beaten the son of The Bard, but once he felt a worthy rival at his side, Gold Heels took on new life. He sprang ahead, holding his advantage, short though it was, to the end.

Behind these three, Gold Heels, Pentecost and Blues, there was Sadie S., fourth, lengths and lengths behind. Herbert, too, still further back, with Reina, lucky winner of the Brooklyn handicap. Saddest of all was Advance Guard, who was beaten by Blues, and dropped back and was lost before the first turn was passed. Perhaps he did not take kindly to Bullman after Burns' jockeyship.

Gold Heels, off sixth, rushed ahead, and when they first passed the wire was neck and neck with Pentecost and Blues. Closing in the back stretch, Shaw, on Blues, thought his chance had come, and he tried to pass. But Blues was still in the lead, but wise little Cochran was trying to save him even then. Blues dashed past Pentecost, bunting him hard.

Pentecost Caught Off Balance.

Pentecost, a long striding horse, was caught off his balance and sheered heavily into the fence. This, of course, gave up the ghost and fell to the rear, finishing absolutely last.

But Blues' dash had not been challenged. He shot past Gold Heels, and soon there was a clear length of day light between them. Then came the greatest cheer of the race. Tammany in silk hats, Tammany in silk petticoats, Tammany in brass buttons and blue, Tammany in rusty apparel, Tammany roared from his lusty throat: "Blues, Blues, Blues!" But it was not for Blues or Tammany. Cleverly rated close to the rail, Wonderly, from being in Gold Heels' rear a sixteenth of a mile they were almost alone. But Blues' heart went faint, and well into the stretch Gold Heels was overhauling him, passing him, leaving him with the master's chairmanship.

Pentecost's Grand Struggle.

Then came that grand struggle of Pentecost. Four lengths in the rear was Maden's horse when the leaders turned into the stretch, but on he came, gaining, gaining at every stride. A hundred yards he took the lead, he was Blues beaten, and slowly he began to creep up on Gold Heels. But no mean foe met him there. Gold Heels sprang forward again under Wonderly's urging, and so they passed under the wire, Gold Heels first by half a length, Pentecost a short length in front of Blues.

Never had there been such a betting race, say the regulars, in addition to those who accept bets of \$1. At least \$500,000 was handled in the ring on the Suburban alone. There had also been a tremendous amount of betting in the future books on this event.

Winner a 3 to 1 Shot.

The final price against Gold Heels was 3 to 1 to win and even money for places; Pentecost, 5 to 2; Blues, 6 to 2; Sadie S., 40 to 1; Herbert, 6 to 2; and Advance Guard, 6 to 2. There was much generous backing of Monograph, the hope of the west, which closed at 15 to 6.

The horse that may carry American turf colors to the front in the English Derby next year won the first half of the double event. He is Mexican, Clarence Mackay's sterling colt, which picked up top weight, 122 pounds. He was admirably ridden by Burns and won on the new Futurity course in 1:06 1-5 from a good field.

This straightaway course was slower than the Suburban course, which experts said was at least a second per mile under its best. This brings Mexican close to Nasturtium's record last year, 1:04 1-5, and makes Gold Heels' race a marvel.

SON OF SAIN WINS

Otis Captures St. Louis Derby

Worth \$13,000—30,000

Saw Finish.

St. Louis, Mo., June 14.—Thirty thousand people saw Barney Schreiber's sturdy colt, Otis, son of Sain and Laura Agnes, today gallop across the line a winner of the great St. Louis Derby, worth \$13,000 to the victor. George C. Bennett's Lamplighter colt, Little Scout, was second, a length away, a neck ahead of Terra Firma, the heavily played even money favorite.

Out of fourth, immediately shot to the fore and practically set the pace the entire distance, always under restraint except approaching the finishing line, where Singleton tapped his mount three or four times with the whip and let out a kick or two. Otis watered to take the lead after passing the clubhouse turn, and did lead Otis a neck or less for an eighth of a mile, but after this great spurt on Glenwater's part Otis took his law and thereafter was never troubled, winning thereafter.

The real fight was for that second place, between Little Scout, Terra Firma and Aladdin. Behind Otis this trio came as a team, all under the whip. Little Scout getting second money by a nose from Terra Firma, with Aladdin only a neck away. Summary:

First race, six furlongs, one mile, selling—Ecorys won, Brown Vell second, Kate Freeman third. Time—1:48.

Second race, six furlongs—Au Revolt won, ore and Aft second, Lacy Crawford third. Time—1:43 1-5.

Third race, mile and a sixteenth, selling—Cogswell won, Tickell second, Red Apple third. Time—1:48 1-5.

Fourth race, the St. Louis Derby, sweepstakes for 2-year-olds, one mile and a half—Otis, 119 (Singleton), 15 to 1, won by a length; Little Scout, 119 (Coburn), 6 to 1, second by a nose; Terra Firma, 119 (Domineck), 11 to 1, third. Time—2:05. Aladdin, Flora Pomona, Corrigan, Le Flare, Glenwater and Sambo also ran.

Fifth race, one mile and seventy yards—Found won, Wax Taper second, Rollie third. Time—1:44 1-5.

Sixth race, one mile and twenty yards, selling—Pharaoh won, Kitty G. second, Free Pass third. Time—1:43.

Seventh race, mile and three-eighths, selling—Josie F. won, Zazel second, Varner third. Time—2:00 1-5.

Norris Withdraws Entries.

New York, June 14.—Green B. Morris has declared his horses Homestead and Old England out of the American Derby, to be run at Washington park, Chicago, a week from today. This announcement came as a surprise to turnmen generally, as it had been expected that at least one of the horses named would carry the Morris colors in the time—1:47 1-5.

"I decided not to send the colts to Chicago," said Mr. Morris, "because I am afraid the track will be muddy and they would take the trip for nothing, as neither likes the mud. Then they have valuable stake engagements at Sheepshead Bay next week, and I thought it better to run them here than to have them go to the States and be run at Sheepshead the same day the American Derby will be decided."

American Jockeys Win Everything.

London, June 14.—The American jockeys were one, two, three in the British Dominion 2-year-old race at Sandown park first summer meeting today. The Simon colt (J. H. Martin) was first, Chaucer (Clancy Maher) second, and Hammock (Denny Jenkins) third.

Loche (Maher) won the Hampton 2-year-old plate.

CLIFFORD ACCEPTS.

Will Meet Wade at Helena on July 2.

Jack Wade and Jack Clifford have at last made arrangements to meet again in the ring, the former anxious to regain his former title of lightweight champion of the intermontain country, and the latter anxious to prove to his friends that he can again defeat the Butte boy. Clifford yesterday received a letter from Wade offering him \$500 to enter the ring with him, win or lose, and a percentage of the gate receipts.

The date set for the contest is July 2, and is to take place at Helena, Mont. Clifford, who is now in the States, awaited him at the Oregon Short Line ticket office if he cared to accept the offer. The local man at once accepted Wade's terms, and will leave this week for Helena to train for the fight.

Graham Challenges Winner.

Jack Graham is out with a challenge to meet the winner of the Flynn-Rowan fight at Park City tomorrow night. He is training now and says he will be in shape to make the fight as soon as the winner desires. In case neither man will accept the challenge, Graham says he will meet any man in the state, no one barred.

Training For Salt Lake.

(New York Telegraph.)

"Kid" McCoy, notwithstanding his declaration that he was through with pugilism, has returned to Saratoga to go into active training. He hopes to secure a match in the near future to be held at Salt Lake City, and spent several days in town recently trying to arrange it, but without success.

McCoy offers a standing challenge to any white man, barring Jeffries, Fitzsimmons, Carter, Ryan or Root. His special preference is for the winner of the bout between Jack Root and "Kid" Carter.

Flynn and Dummy Ready.

(Special to The Herald.)

Park City, June 14.—Both Flynn and Dummy Rowan continue to work hard and will do the last heavy training today. Both men are in excellent condition and the betting fraternity is at a standstill, seeming now to have no favorites.

LOGAN INFANTS LOSE HOODOO

Stoney's team has discovered

the hoodoo that has been hovering

around the infants for the

past two weeks. According to Bill

Hoffer, it is none other than himself.

"I sit on the bench for the first time

since our streak for the infants began

commenced, and what is the result? We

get out and play ball and trim those

guys from Farmington good and

proper. I'm it. I always was a hoodoo."

The big Logan first baseman was

suffering from a bad leg yesterday,

which, he claimed, somebody pulled

down on him, and Ramey, the lad with

burnt locks, held down the first base

Whether this change had anything to

do with the game or Big Bill's con-

stant jolly from the bench put new

life into the team, is not known, but

at any rate the infants played better

ball than they have for some time.

They got the Farmer boys on their

hips at the first rattle out of the box

and kept them going until the end.

Quick Officials For Logan.

Quick, the new pitcher from Balti-

more, officiated for the infants and

proved himself a pretty smooth artist.

Mr. Quick is very much so, and several

times delivered the ball with such

rapidity that the sodpounders gasped

twice to get their breath. He has

plenty of speed and several kinds of

curves that were handed out in whole-

sale lots. Although interviewed three

times by the Farmer boys, they

came at intervals that caused but lit-

tle damage.

Rebsamen was the chief offender,

out of five times at bat got away

from the pitcher, and the other two

times by the Farmer boys, they

came at intervals that caused but lit-

tle damage.

Buck Weaver captured three

hits out of five times up, and Eubanks

two out of four times up.

Starke was on the rubber for the

Farmers and pitched a fairly bad

the support given him was very

ragged. The new Logan pitcher was

hit safe fourteen times, some of them

being very hard.

Logan Makes a Single Error.

But one error was recorded against

Logan, while Lagoon made five, two

times by the Farmer boys, they

came at intervals that caused but lit-

tle damage.
